

# ClockWork sponsorship opportunities

The design solutions of ClockWork lie in the hands of our talented designers and volunteers, but the possibility of the event lies in the hands of our generous sponsors. Admission to the ClockWork show is a donation of food. We need the support and funding of individuals and businesses to make this event possible. All funds collected go towards ClockWork and AIGA BlueRidge’s community efforts. If you would like to become a ClockWork event sponsor, please fill out the form and send it to the address below. ●
